on [the GridCast website](#). See our pick of the highlights below:

- [e-Science Talk's](#) Stefan Janusz gives a great introduction to the city which played host to last week's event and discusses the pros and cons of pay-for-use e-infrastructure models.
- Catherine Gater gives [her view on the opening plenary session](#).
- Simon Hettrick of [the Software Sustainability Institute](#) writes about [the importance of human capital for e-infrastructures](#).
- Beatrice Bressan discusses [the future of EMI and SciencePAD](#).
- As well as [expanding on this topic further](#), Zara Qadir also gives her view on [citizen science initiatives and the International Desktop Grid Federation](#).

Finally, [see photos from the event on Flickr](#) and read the Tweets from delegates attending the Community Forum under the hashtag [#egicf13](#).
